

IMPACT

OMEP projects are designed to deliver quantifiable results. Six to twelve months after a project is completed, an independent third party commissioned by the National Institute of Standards and Technologies (NIST) surveys clients to measure the project impacts.

For the period July 1 2009 to December 31 2009

OVERALL IMPACT

Companies served	80
Jobs created or retained	396
Increased or retained sales	\$22,297,009
Cost savings	\$4,817,400
